

Your Sustainable Solutions

Small changes can make a big impact!

Lets cut the Carbon...

Everdurance
Your sustainable solution

We all want to feel pampered when travelling, whether it's for business or leisure. Our Radnor Hills products give sustainable packaging a new level of luxury appeal and are a refreshing finishing touch to any hotel room. In 250 millilitres of pure mineral water, you are giving your guests a hydrating boost for the day.

Our sustainable solutions

Spring Water

250 ml

(Radndor)

Tetra Pak carton filled with still spring water from the Welsh land of Radnorshire with a foil tab cap.

Perfect as a complementary drink in each of your hotel rooms.

ViTs

200 ml

(Radndor)

Still spring water packed with vitamins and minerals.

Lemon & Lime
Raspberry & Apple

Perfect for rejuvenating your electrolytes, post spa or workout.

Spring Water

500 ml

(Water Works)

Filled at source with pure British spring water in sustainable carton capped with a sugar cane cap.

Perfect for CO-BRANDING with your hotel logo.

Everdurance
Your sustainable solution

Why choose cartons?

1

100% RECYCLABLE

Both carton and sugarcane caps are 100% recyclable and FSC registered.

2

1% FOR THE PLANET

Every sale supports healing our planet.

3

UK BASED

Our cartons are filled at source in the UK.

4

CO-BRANDING

Eco-friendly merchandise with no extra cost to advertise your brand.

LESS CO2

Plastic, cans and glass all have a much higher carbon footprint.

Just **24g** of CO2

116g of CO2

216g of CO2
